My Brothers and Sisters,

It is indeed an honor and privilege to be your State Sponsor.

As with many great organizations, the Elks of Indiana are working hard for our Veterans, children, those less fortunate and with your cancer research program, thereby continuing many proud traditions.

Every Indiana Elk should be proud of these accomplishments and should strive diligently to continue these proud traditions.

As your State Sponsor, please know that I always walk just a little taller when I have the chance to speak about what my Indiana Elks do for our great Order.

During this upcoming year, you will hear the many achievements of the programs of your State Association and Grand Lodge and perhaps, even how we all as Elks may better realize the goals for our course into the future.

Once again, let me express my deepest appreciation for the support and friendship that you have given me over the years.

I always look forward to meeting with as many of you as possible during our time together.

“Elks Care-Elks Share”

Cordially and fraternally,

James C. Varenhorst

James C. Varenhorst, PGER
Indiana State Sponsor

Dear Brothers and Sisters of the Indiana Elks,

I am truly honored and privileged that you have elected me as your President of the Indiana Elks Association for the upcoming year. The support I have received and the friendships I have made all across our great state the last several years of this journey has been overwhelming and I am sincerely grateful to all of you for that.

Donna and I are looking forward to the opportunity to serve as the ambassadors for our State and visiting with you at your Lodges. We are here to promote, support and assist you in any way we can with the many charitable activities we do in our State and in all of our communities.

One of the most important things we do as Indiana Elks is support our State Major Project of cancer research at both Indiana University and Purdue University. Since its inception, the Lodges in the State have donated more than \$9,000,000.00 to this program. While this is indeed a great accomplishment and one we should all be extremely proud of there is still much work to be done.

We are fortunate to have two nationally acclaimed cancer research facilities in our State and an opportunity to team with them to help fight the many dreaded cancer diseases that have affected all of our lives at some point. Donna and I want to celebrate and promote that relationship in the coming year with our **“Partners For A Cure”** campaign. We have a specially designed logo which will be available on shirts, etc. for us all to be able to show our pride in that partnership and help raise awareness of it.

Again, thank you from the bottom of my heart for all of your support and we look forward to visiting with all of you soon.

Fraternally yours,

Don Raderstorf

Lodge Protocol for Dignitary Visitation

These guidelines are offered for the Lodge's preparation for the visitation of the State President. This is a guide, not a set of rules. If you follow this, you will make the event easier for all concerned. Your officers, Lodge members and staff will know what is expected. The President will be spared any surprises, as these are the forms of protocol to which he is most accustomed.

Setting the Date: Set the date of the visitation as soon as possible. After you have set the date verbally, confirm it in writing.

Lodge Financial Responsibility: The Lodge should bear these expenses if at all possible.

Lodging: The Lodge should pay for the President's lodging. If the lodge cannot afford it, do not feel that you have to provide it. However, if you cannot pay for lodging, inform the President so that he has the opportunity to make his own arrangements.

Room Amenities: If you wish, it's a nice gesture to place a small welcome gift in the room of the visiting dignitaries (not only State President but Grand Lodge Officers as well) This should depend on the length of the visit; ex. more than one night.

Dinner and Drinks: The President and First Lady's dinner and drinks should be complimentary. Inform the reservation person, bartenders, and staff of this arrangement in advance.

Transportation: The President is responsible for his own transportation to the motel/hotel. The lodge should provide transportation to and from the Lodge during his visit, and for any other events during his stay, if he so desires.

Dress Code: If there is a theme (Western, Hawaiian, Casual, etc.), or if it is to be a formal event you need to inform the President and First Lady well enough in advance in order for them to be prepared. If there are any tours, entertainment, or special events planned, be sure that advance notice is also given.

Head Table: Provide a podium and/or microphone (if necessary due to room or crowd size). The order of seating precedence is listed in descending order. If you have less seating, cut from the bottom up.

Introductions: Each President has his own criteria for introductions. The Exalted Ruler and the President should plan in advance who introduces whom. Introductions should include; Head table: Grand Lodge Officers and their Spouses, State Officers and their Spouses, Lodge Officers and their Spouses, and visiting dignitaries and their spouses.

Communication: At least two weeks prior to the visit, send a letter to the President welcoming him to your lodge. This letter should include; an agenda of events, dress code information, and the name and directions to the motel/ hotel. If planned, request for the President to speak (a special topic and length of speech). If planned, request the President to perform the 11 o'clock toast, suggested arrival time, and identification of the President's host and hostess, if applicable.

Departure: This most often being a Sunday morning, you may or may not want to have breakfast with the President (much depends on his travel plans). Whatever your plans, make it clear to the President that you do or do not plan to see him in the morning. Make sure that the motel/hotel is aware that you are paying the lodging bill. The President should be able to check out with no payment from him expected (unless of course, he has personal charges).

Summary: The financial responsibility of each lodge will differ. The dinner and drinks at the lodge should always be provided. The President (even though they receive an allowance for the year) has expenses which far exceed the allowance given him. You should not expect him to pay for costs, which can easily be absorbed by the lodge.

***Now that all preparation work
is complete Enjoy your visit!***

Monthly Reminders

APRIL

1. Installation of officers, first meeting April (Sec. 12.010 GLS), special session not later than April 15th. The District Deputy must approve a special session.
2. Exalted Ruler must appoint statutory committees no later than second meeting in April. (Sec. 13.020 GLS).

I'm PROUD to be an Elk

Communications — You will receive many letters and forms. Be courteous, read them and answer them promptly.

Membership — The key to our continuing success. You must initiate approximately 10% of your lodge membership each year just to stay even.

Indoctrination — A good first impression will become a long and lasting relationship in Elkdom.

Lapsation — Start immediately, don't wait 60-90 days.

Stray Elks — Invite Elks who are members in good standing from another city or town to attend your lodge facility. Ask them to consider transferring to your Lodge.

Reinstatements — Revive the former members of your lodge with the interesting aspects of Elkdom.

New Lodges — If you hear of a community without a Lodge, that shows interest and desire, please contact a State Officer or your District Deputy Grand Exalted Ruler.

Increase Lodge Attendance — Many ideas are listed in the Grand Lodge Activities booklet.

Ritual Contest Participation — This enables each lodge officer to help conduct business-like and inspiring lodge meetings, thus keeping the interest among our members and helps to increase better participation.

Family Participation — Invite families to open Installation of Officers, Flag Day Ceremonies, Memorial Services, and Youth Activity programs.

Community Service — Help where possible in your city or town. Let the citizens know your Elks Lodge sponsors Hoop Shoot and Scholarship Contests.

Americanism — Sponsor programs which will make Americanism a living part of your community.

National Service Committee — "As long as there are Disabled Veterans in our hospitals, the Benevolent and Protective Order of Elks will never forget them." Not just a slogan but a continual deed.

Elks Magazine — Read and patronize the advertisers.

Elk Awards — Elk of the Year, Citizen of the Year, and Officer of the year awards. This gives you the opportunity to recognize those who have helped promote not only Elkdom, but also your community.

Cancer Research — Indiana Elks major project. Each Lodge supports this annually. Approximately \$8.5 million have been donated to date.

District Deputy Clinics

All Exalted Rulers, Leading Knights, Secretaries and Chairman of the Trustees are **REQUIRED** to attend. All interested Elks are cordially invited to attend and learn. Watch for the dates in your newsletters, or in a letter from your District Deputy.
